Best home battery brands

Overview

We tested and researched the best home battery and backup systems from brands like EcoFlow and Tesla to help you find the right fit to keep you safe during outages or reduce your reliance on grid. The standard Generac PWRcell system provides 9kWh of storage capacity from three Lithium Ion battery modules rated at 3. If you have a power outage, consider installing a set of backup batteries or solar panels for electricity when off the grid. 5kWh capacity, 10-year warranty and an intuitive companion app for monitoring energy distribution and use.
