Renewable energy solar project

Renewable energy solar project

More than 90% of new renewable energy capacity is now

The global switch to renewable energy has passed a "positive tipping point", according to two United Nations reports released on Tuesday. Solar and wind are now almost always the least

Project Finance Brief: Arevon Energy Secures $183 Million for Solar

Arevon Energy, a renewable energy developer, owner, and operator, secured a $183 million total debt package, including a tax equity bridge loan, a construction-to-term loan, and a letter of

Modi Inaugurates INR3,600 Crore Powergrid Projects to Boost Renewable

PM Narendra Modi inaugurated two Powergrid transmission projects worth INR3,600 crore in Rajasthan, enabling evacuation of 28 GW renewable energy and strengthening high-voltage grid

InSolare Energy Partners with CSIR-SERC to Strengthen Structural

Under this collaboration, CSIR-SERC will provide comprehensive testing, technical evaluation, validation, and analytical support for InSolare's proprietary renewable energy systems

Dinawan solar farm included in 14 project, $34 billion endorsement

The Dinawan Solar Farm is one of 14 renewable energy projects valued at $34 billion, that has been included in the opening round of the New South Wales government Investment Delivery

ACME Solar inks PPAs for 450-MW firm renewables project

Indian renewables developer ACME Solar Holdings Ltd (BOM:544283) said this week it has signed two power purchase agreements (PPAs) with SJVN Ltd (BOM:533206), a public sector power

Philippines: $433-billion power projects set to cut electricity rates

Energy chief Sharon Garin has unveiled a 10-year, PHP25 trillion renewable power auction blitz Canal-top & elevated solar, geothermal, hydropower, onshore/offshore wind, biomass projects

Croatia-based ENNA to develop wind, solar projects in Azerbaijan

Croatia-based ENNA Group and the Azerbaijan Renewable Energy Agency (AREA) have signed a memorandum of understanding (MoU). The document establishes a framework for

Solar Surveys for Councils in the UK: How Apex Renewable Energy

Each building requires its own tailored solar PV design based on roof layout, structural considerations, and expected energy usage. At Apex Renewable Energy Surveys, we specialise in delivering high

EU Unveils EUR54.9M Solar PV Funding Call Under Renewable Energy

Investment Support For Solar Projects in the EU By supporting ground-mounted solar PV projects in Bulgaria and Finland, this call accelerates renewable energy deployment, reinforces

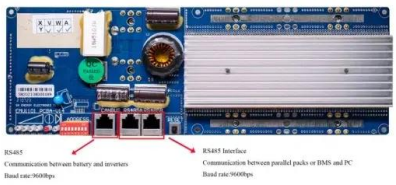

Kauai renewable energy project earns PUC approval

The Hawaii Public Utilities Commission (PUC) has given the green light to a new solar-plus-storage project on Kauai, which will contribute significantly to Kauai Island Utility Cooperative's

Acme Solar Holdings Secures 250 MW Renewable Energy Project in

Acme Solar Holdings on Wednesday said the company has bagged a renewable energy project of 250 MW in an auction held by NHPC. With this latest win, its total capacity now stands at

UN Launches Solar Power Project to Cut Energy Costs in Nigeria

He emphasised that the project demonstrates the practical viability of solar power in supporting sustainable operations. He noted that Nigeria possesses vast renewable energy potential,

InSolare Energy Partners with CSIR-SERC to Strengthen Structural

Founded with a vision to lead India's solar revolution, we provide cutting-edge, world-class renewable energy solutions that are efficient, reliable, and cost-effective.

Solar Capacity Jumps 33% in 2024, Yet LDCs and Africa Get Less

Global investment in solar energy has demonstrated unprecedented growth, surging from USD 146 billion in 2016 to USD 521 billion in 2024, and now accounting for 72% of total renewable

RENEWFM: new call under the EU Renewable Energy Financing

Investment support for solar PV By supporting ground-mounted solar PV projects in Bulgaria and Finland, this call accelerates renewable energy deployment, reinforces European

South Africa's Largest Private Solar Project to Power Chinese Chrome

A Chinese consortium is developing a 100-megawatt solar power project in South Africa's Limpopo Province to provide renewable energy to Samancor Chrome, one of the region's largest

Fin close, offtake deals in place for 475-MW S African solar project

Anthem, a newly launched renewables platform, has achieved financial close on a 475-MWac/ 620-MWdc solar project in South Africa and has secured power offtake in deals with energy

Jyoti Structures Commissions 400 kV Transmission Line for ReNew Power

The project forms part of the Interstate Transmission System (ISTS) designed to evacuate renewable energy from the Koppal Solar Energy Zone, which has an estimated generation capacity

UltraTech, AMPIN Partner For 45 MW Solar-Plus-Storage Project in

In a bid to increase the company's renewable energy sourcing, UltraTech and AMPIN had previously collaborated to develop a 75 MWp DC / 50 MW AC solar power project for captive

Soleil Renewable Energy Advances to Execution Phase for 880 MW

LOS ANGELES, Feb. 25, 2026 (GLOBE NEWSWIRE) -- Soleil Renewable Energy, a renewable energy platform founded in 2019, today announced that its flagship utility-scale solar and energy storage
