## HPQ Silicon closes $3M private placement for battery project

The company partners with Novacium on silicon-based anode materials for batteries and is commercializing ENDURA+ lithium-ion cells. The offering was initially announced on February 23,

## Silicon for Lithium-Ion Batteries , UniversityWafer, Inc.

Explore how silicon wafer structures are critical for lithium-ion battery anodes and thin-film applications. Boost battery performance with our substrates.

## Amprius SiCore(TM) Batteries -- Strategic Partner

As a strategic partner of Amprius Technologies, Spektralis provides direct access to the full SiCore(TM) lineup -- the world's highest energy density lithium-ion cells,

## Silicon Anode Materials for Battery Manufacturers

Contact our Battery team to discuss available grades, lead times, and sampling options across our silicon anode materials portfolio. Silicon anode materials can

## SX-Silicon(TM) Technology , Higher Energy Density , TRION

SX-Silicon is ready for today's Lithium-ion batteries: metallurgical silicon without silane gas, simple production processes, and seamlessly integrated into existing manufacturing processes.

## SX-Silicon(TM) Technology , Higher Energy Density , TRION

SX-Silicon. A step-change in battery performance TRION's SX-Silicon and electrolyte technology drive unrivaled boosts in energy density and cycle life while maintaining top performance in all other areas

## Motorola Edge 70 Fusion launched in India with Sony LYTIA 710

Motorola has launched the Motorola Edge 70 Fusion in India. The device brings a new camera sensor, a large silicon-carbon battery, and the Snapdragon 7s Gen 4 chipset to the

## SilLion Company Profile

SilLion is a developer of lithium-ion batteries. Its technology delivers high-energy batteries by simultaneously incorporating high-loaded silicon anodes, nickel-rich lithium nickel manganese cobalt

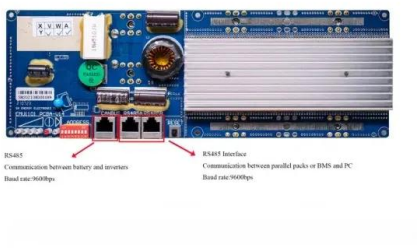

## Silicon Carbon Battery Mobile Phones Price List 2026

Explore list of mobiles with Silicon Carbon (Si/C) batteries, offering improved energy efficiency, faster charging, and longer battery life. Check out the price, detailed

## RFID PDA For Sale

SILION TECH RFID PDA devices are lightweight and can be easily taken to wherever you need to read tags. Thanks to the portable form factor, they minimize hand fatigue as your workers get the job

## Is there really low cycle life Silicon anode lithium batteries for sale

Is there really low cycle life Silicon anode lithium batteries for sale with great energy density or would Na-ion be better? This is for single use applications battery cycle life means nothing energy density

## motorola edge 70 fusion launched; early bird sale today 12PM

motorola edge 70 fusion launched; early bird sale today 12PM - world's first 50MP Sony LYTIA 710, fabric finish, 7000mAh battery. Starting Rs. 24,999* NEWS HOME » BUSINESS
